To the Mayor of Granby City and Alderman

It has been observed that the address of 564 Waterloo Court a mobile Home park, owned by Whitney Hutchison 21802 Elder Road, Granby Mo 64844. Is in non-compliance with Granby City Ordinance 410.090 (The grounds of every Manufactured Home Park and all buildings and structures shall be maintained in a clean, sightly condition and kept free of any condition that will menace the health of any occupant or the public or create a nuisance). There is at least one mobile home that is no longer tied down and is not on any foundation, nor is it hooked up to city utilities. Other mobile homes have missing rotten decayed floors and siding in which you can see into the home either through the floor or side of the mobile homes. Utilities have been disconnected to a portion of the homes that are on the lot. There is at least one lot with an open sewer line. Six of the eight mobile homes within the lot are so damaged, decayed, dilapidated, and unsanitary that it creates a nuisance and hazard to the health and safety to the nearby occupants. The mobile home park is not free from litter; it is neither cleaned nor sanitary. It is also evident that when the lot does get mowed that the debris in the yard is just ran over spreading more debris into neighboring lots. I am requesting that the Mobile Home Park listed at this residence as Hutchison Trailer Park have its license Suspended/Revoked until the Mobile home Park can be brought to current compliant standards with the Granby City Ordinance.
